Aston Park Fisheries is predominately for fishing – but has a Restaurant & Farm Shop and a family Farm Trail [but it is unsuitable for wheelchairs]. It is one of the finest modern day fisheries in the area and close to all major links of the M1, A1 and M18, yet it is a haven for pleasure and club anglers.

There are five lakes, which have large stocks of fish, including various Carp to 30lb plus, Tench, Bream, Roach, Perch, Barbel and Crucians. Pleasure fishing is available 7 days per week with an onsite tackle shop, and Bait Bar.

Aston Springs Farm is also a great family day out and there is a pet's area to view with chickens, goats, ducks and also a farm trail in which children must be accompanied by an adult there is a charge for the walk and tickets can be obtained from the Farm Shop.

On the Trail there are various paddocks, and you can see sheep & lambs, free-range chickens, pigs, goats, red deer, donkeys and highland cattle.

The Farm Trail has steep inclines and is not suitable for wheelchair users or buggies.
