Graves Park is Sheffield's largest park and is a well used with many facilities for sports, and an Animal Farm with small animals chickens, guinea pigs, rabbits, sheep, goats, donkeys, ponies etc. and is very popular with families. It has a Children's activity play area, and many events are held throughout the year.

The walk in the park is very scenic with views of the small lake and park.

- **Toilets** – There are toilets at the café.

- **Path** - The paths all have a good tarmac surface for wheelchairs all the way round — it is suitable for all wheelchairs but there are some steep inclines in some areas, so choose your route and manual wheelchairs will need a pusher.

The walk I have chosen starts at the Animal Farm, walk through the farm then take the lower path to the lake then up to the Café and garden area and back to the car park.

There are other longer walks in park
