<b>Baslow Edge</b>	200 Metres for the view	Curbar Baslow Derbyshire	OS 119 Buxton & Matlock

This is a short walk of 200 metres only and gives you a spectacular view from Baslow Edge of the Peak District in all its glory. This is an extension of a marvellous Edge walk of Froggatt Edge then Curbar Edge and then Baslow Edge, and just gives you a feel of being on the edge. Unfortunately the edge walk is not for wheelchairs.

P.S. Definitely pick a clear sunny day, take your binoculars then lunch in a Pub or Café.

- **Facilities** – .All facilities can be found in the village of Baslow.  
There is a small car park [ noted by the letter P on the map for parking ].
- **Café** – There are numerous cafés and local inns in the Baslow village close by.
- **Toilets** – Toilets can be found in Baslow.
- **Path** – From the car park go down the road and take the left hand path, then through the right hand gate. Note in winter or wet weather the main gate on the left hand side can get very muddy as shown, but this gate is okay in summer. The short path is made up of fine rolled-in crushed stone and then take the right hand fork path to the viewpoint. There is a slight slope and manual wheelchairs will require a push.
