

Title.	Distance	Place	OS Map
Nostell Priory	Variable walks around the grounds	Wakefield	Landranger 104

Nostell Priory was the creation of Sir Rowland Winn in 1733 and built by James Paine.

It sits in 300 acres of parkland divided between working farmland, lakes and walks and stunning gardens including an adventure pla area and an orchard.

The Winn family have lived there for over 300 years and the ancestral home has been added to over the decades, some of the newer buildings having their interiors designed by Robert Adam.

The Priory (not actually a priory) is now under the stewardship of the National Trust and contains many items of artistic and historical value including paintings and a longcase clock.

- **Facilities** – souvenir and gift shop – courtyard cafe – parking (£3 for non members) – children's play area and quiz trail – baby changing facilities – family activity packs – separate parking for disabled approximately 500 metres from the house (not available Saturdays 9 – 10am) – drop off point – adapted toilets in both the car park and house – map of accessible route – level entrance to building with lift to other floors
- **Café** - delicious food in the Courtyard Café. Open daily from 11am - 4.30pm freshly prepared food using local, seasonal and sustainably sourced ingredients. Call in for coffee or for lunch or afternoon tea. Also featuring an indoor cafe at both ends of the courtyard.
