

Title.	Distance	Place	OS Map
Whisby Nature Park	1-3 Miles 1.6-5 Km	Whisby Park Thorpe-on-the- Hill Lincoln	OS 121 Lincoln

Whisby Nature Park was opened in 1989 and has a number of lakes with scenic views and an abundance of bird life and natural habitat and there are various trails most of which are suitable for wheelchairs.

- **Facilities** – Visitors Centre – The Boardwalk café – Education Centre - Children's outdoor activities – Sculptures – Bird Hives – Caravan Park.

There is pay and display car park near the Centre.

- **Café** – The Boardwalk Café has excellent facilities.

Visitors Centre

- **Toilets** – There are well-equipped disabled toilets in the natural world centre and café.
- **Path** – There are a number of trails suitable for wheelchairs and generally flat with the odd slope – the majority of paths are of a hard surface made up of rolled-in crushed limestone with a few sections of grass - manual wheelchairs will need a pusher.

The trails are provided with way markers, which guide the inexperienced visitor safely around clear one-way routes.

Along this network are over 30 seats and 7 bird hides, six adapted for wheelchair access, and a set of seven large interpretation boards explaining the habitats and species to be seen through the seasons.

Crushed Stone Path

See gallery for Information

- **Information** – There is information on the website of the Nature Park facilities and a map of the various park trails and walk distances.
