Longshaw	2 Miles 3.2 Km	Fox House Derbyshire	OS 110 Sheffield & Huddersfield

The walk starts near Fox House and goes through the Longshaw Lodge Estate with spectacular scenic views of the Peak District and surrounding heather moorlands and hills of Higger Tor and the pre-historic hill fort of Carl Wark, and is a one-way and back walk.

Thanks to Allen for these set of photo's, which are also numbered and can be viewed on the map below and on the website.

- **Facilities** – At Longshaw Lodge there is a Visitors Centre, Shop and Café – Education Centre – At Fox House there is the local Fox House Inn.

At Longshaw is the car park, see map marked P and there are other parking areas close by.

- **Café** – There is a Visitor's Centre and café at Longshaw Lodge open most of the year [see website] – and there is a restaurant and bar snacks at the Fox House Inn – Also meals and bar snacks at the Grouse Inn at Froggatt.

Longshaw Cafe

- **Toilets** – There are toilets at the Longshaw Lodge café and Fox House Inn / Grouse Inn.

- **Path** - The path is made up of fine rolled-in crushed stone with some bobbly areas, and is suitable for motorised wheelchairs – manual wheelchairs will need a strong pusher as in certain areas there are slopes. Obviously with this type of path it is best to do the walk on a dry day where there will be a better surface.

To help, Allen's map on the website is marked with the No. of the photo and direction the photo was taken – i.e. 22 – NE represents the photo taken in this position facing north East.

Generally the walk starts from the Longshaw car park marked P then continues on 1 – 2 – then from 20 – to the gate at 29 then return.

The path from 41 to 42 is a grassy area unsuitable for wheelchairs.

Also the path 2 to 6 is on an incline.

From 6 to 10 the photos are for your information, but this can be done from the road and near White Edge Lodge there are some great views.

For walkers there are many other paths to make this into a round walk.
